Chartered Engineer Certificate for Existing & Proposed Installed Capacity  
(In case of Expansion/Diversification)

Ref No: - 03/DCPL/CE/IC/2025-26

Date: - 05-02-2026

I, **Mr. Virendra F. Panchal**, Chartered Engineer (Membership No.: M-113188/5), do hereby certify that I have examined and reviewed the existing and proposed manufacturing capacity of **Devson Catalyst Private Limited** ("the Company") based on physical inspection, technical evaluation, and information provided by the management.

During the course of this assignment, I have inspected the new manufacturing facility of the Company, Reviewed details of proposed plant & machinery to be installed at the new manufacturing facility situated at Plot No. 258 and 259, G.I.D.C. Estate, Wadhwan city. Dist: Surendranagar, Gujarat, examined manufacturing process flow, technical specifications, rated capacities, and operational parameters, Reviewed machinery quotations and summaries provided by the management.

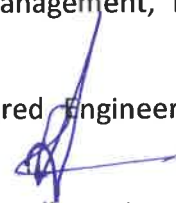

Based on the above, I hereby certify the **existing, proposed, and total installed capacity** of the Company as below

Product Category	Existing Facility Installed Capacity (MTPA) (Upto FY 2025-26)	Proposed New Factory Installed Capacity	Total Installed Capacity After Expansion (MTPA)
Catalyst / Adsorbent	2545	5088	7633
Ceramic Balls	3660	0	3660
<b>Total</b>	<b>6205</b>	<b>5088</b>	<b>11293</b>

Based on my site inspection of the existing manufacturing facility, review of the proposed plant & machinery to be installed at the new manufacturing facility situated at Plot No. 258 and 259, G.I.D.C. Estate, Wadhwan city. Dist: Surendranagar, Gujarat, and technical information, documents, quotations, and explanations provided by the management, I hereby certify that:

The existing installed capacity of the Company is as per earlier Chartered Engineer certificates issued by me.

The proposed expansion through setting up of a new manufacturing facility will result in additional installed capacity as detailed above.

BRANCHES

AHMEDABAD - BHARUCH - BHOPAL - GODHRA - INDORE - JUNAGADH - MUMBAI - NADIAD - RAJKOT - SURAT - UMBERGAM - VAPI

After installation and commissioning of the proposed plant & machinery at the new manufacturing facility, the total installed manufacturing capacity of the Company, taken together with the existing manufacturing facility, will be 11,293 MTPA.

The above capacity represents installed capacity, and actual production may vary depending upon product mix, operating efficiency, operating conditions, and market demand.

• **Declaration:**

1. This certificate is issued based on physical inspection of the existing facility and on the information, documents, and representations provided by the management in respect of the proposed expansion.
2. I have no direct or indirect interest in the business of the Company
3. This certificate is issued solely for disclosure and regulatory purposes and should not be construed as a guarantee of production or performance.
4. Issued in accordance with best engineering practices and without prejudice.
