The timeline for making disclosure under Regulation 30A of the LODR Regulations is given below:

Reg. 30A(1): the parties to the agreements shall inform the listed entity about the agreement to which such a listed entity is not a party within two working days of entering into the agreement or signing an agreement to enter into such agreements.

**GUIDANCE ON WHEN AN EVENT / INFORMATION CAN BE SAID TO HAVE OCCURRED  
FOR DISCLOSURES UNDER REGULATION 30 OF THE LODR REGULATIONS**

1. The listed entity may be confronted with the question as to when an event/information can be said to have occurred for making disclosures under regulation 30 read with Schedule III of the LODR Regulations.
2. In certain instances, the answer to above question would depend upon the stage of discussion, negotiation or approval and in other instances where there is no such discussion, negotiation or approval required viz. in case of natural calamities, disruptions etc., the answer to the above question would depend upon the timing when the listed entity became aware of the event/information.
  - 2.1. In the former, the events/information can be said to have occurred upon receipt of approval of Board of Directors e.g. further issue of capital by rights issuance and in certain events/information after receipt of approval of both i.e. Board of Directors and Shareholders.

However, considering the price sensitivity involved, for certain events e.g. decision on declaration of dividends etc., disclosure shall be made on receipt of approval of the event by the board of directors, pending shareholders' approval.

In case in-principle approval or approval to explore (which is not final approval) is given by the Board of Directors, the same shall not require disclosure under regulation 30 of the LODR Regulations.

- 2.2. In the latter, the events/information can be said to have occurred when a listed entity becomes aware of the events/information, or as soon as, an officer of the entity has, or ought to have reasonably come into possession of the information in the course of the performance of his duties.

Here, the term 'Officer' shall have the same meaning as defined under the Companies Act, 2013 and shall also include promoter of the listed entity.

Notwithstanding the above, listed entities shall confirm, deny or clarify any reported event or information in the mainstream media in terms of regulation 30(11) of the LODR Regulations.

**GUIDANCE ON THE CRITERIA FOR DETERMINATION OF MATERIALITY OF EVENTS / INFORMATION**

1. The criteria for determination of materiality of events / information is specified in regulation 30(4) of the LODR Regulations. One of the criteria is that the omission of an event or information, whose value or the expected impact in terms of value, exceeds the lower of the following:
  - i. two percent of turnover, as per the last audited consolidated financial statements of the listed entity;
  - ii. two percent of net worth, as per the last audited consolidated financial statements of the listed entity, except in case the arithmetic value of the net worth is negative;
  - iii. five percent of the average of absolute value of profit or loss after tax, as per the last three audited consolidated financial statements of the listed entity;
2. In respect to the above, it is clarified that the average of absolute value of profit or loss is required to be considered by disregarding the 'sign' (positive or negative) that denotes such value as the said value / figure is required only for determining the threshold for 'materiality' of the event and not for any commercial consideration. The following illustration is provided in this regard for clarity:

**Table I: Illustration for calculation of average of absolute value of profit or loss after tax**

(Amount in Rs. crore)	Profit/loss after tax	Absolute value of profit/loss after tax	Average of absolute value of profit/loss after tax for the 3 years
FY 2020-21	(20)	20	$(20+50+20) / 3 = 30$
FY 2021-22	50	50	
FY 2022-23	(20)	20	

Further, it is clarified that in case a listed entity does not have a track record of three years of financials, say, in case of a demerged entity, the aforesaid average may be taken for the period / number of years as may be available.

**Industry Standards for Compliance**

**1. Applicability of numerical thresholds to certain companies for Para A(1) of Part A of Schedule III**

1.1. For insurance companies and non-banking financial companies (“NBFC(s)”), including, core investment companies, registered with the Reserve Bank of India (“RBI”), the stipulation in Explanation (1)(ii)(c) to Para A(1) of Part A of Schedule III, should be understood as follows:

- 1.1.1. In case of acquisitions of listed (or to be listed) equity, convertible or debt securities of another entity, a disclosure of an acquisition would be required to be made only if the cost of acquisition or the price at which the listed (or to be listed) equity, convertible or debt securities are acquired exceeds the threshold specified in Regulation 30(4)(i)(c)(2), i.e., two percent of net worth, as per the last audited consolidated financial statements of the investor entity. In such instances, the materiality thresholds specified in Regulation 30(4)(i)(c)(1) and Regulation 30(4)(i)(c)(3) would not be applicable.
- 1.1.2. For any other type of acquisition, each of the prescribed materiality thresholds under Regulation 30(4)(i)(c) would continue to apply to assess whether a disclosure of the acquisition is triggered.

**2. Interpretation of “value or the expected impact in terms of value” under Regulation 30(4)(i)(c)**

2.1. In computing the “expected impact in terms of value” of an event/information, a listed entity should, where applicable, consider the expected impact in the four ensuing quarters (including the quarter in which the event occurs if the event occurs in the first 60 days of the quarter). Illustration in this regard are provided below:

- 2.1.1. If an event has occurred on May 29, 2023, which is a date in the first 60 days of the quarter, then the computation of the four ensuing quarters for the purposes of assessing the expected impact of the event would include the ongoing quarter beginning April 1, 2023. Accordingly, the period of assessment would be the four quarters beginning April 1, 2023, till March 31, 2024.
- 2.1.2. However, if an event has occurred on June 1, 2023, which is date not in the first 60 days of the quarter, then the computation of four ensuing quarters for the purposes of assessing the expected impact of the event would not include the ongoing quarter. Accordingly, the period of assessment would then be from July 1, 2023 till June 30, 2024.
- 2.2. Disclosure / non-disclosure would typically be in compliance with the regulatory requirements if while undertaking the assessment of the “value” and “expected impact in terms of value”, the listed entity places reliance on the principles for measurement set out under the applicable accounting standards (such as the PPR test formulated basis the principles for measurement set out under Ind AS 37), so as to ensure consistency between the disclosures made to the stock exchanges, and the disclosures made in the financial statements. For instance, if the outcome for a matter (above the materiality threshold) falls within probable or possible category then it may be disclosed, however, if it falls within remote category then disclosure may not be required under Para B(8) of Part A of Schedule III.

2.3. Disclosure of an event under Para B of Part A of Schedule III would be required to be made if the gross amount involved in such event exceeds the materiality threshold. However, listed entities may disclose details of indemnity and insurance claims which could mitigate the expected impact, if any, in respect of such event to provide more context while making the disclosure.

2.4. In certain instances, all of the three parameters specified under Regulation 30(4)(i)(c) (viz., profit / net worth / turnover) may not be relevant to an event. As such, while assessing whether an event exceeds the materiality thresholds, listed entities should refer to **Annexure A** for guidance on which of the relevant and appropriate parameter ought to be considered for determination of materiality for different types of events under Para B of Part A of Schedule III.

3. **Interpretation of “last audited consolidated financial statements” under Regulation 30(4)(i)(c)**

3.1. The reference to last audited consolidated financial statements in this Regulation shall mean the annual audited consolidated financial statements of the listed entity.

4. **Interpretation of “significant market reaction” under Regulation 30(4)(i)(b)**

4.1. Significant market reaction may differ from company to company. Significant market reaction may be assessed against scrip price, as per the parameters specified by the stock exchange(s).

5. **Materiality for disclosure under Para A(20) of Part A of Schedule III**

5.1. For disclosure of imposition of fine or penalty under Para A(20) of Part A of Schedule III:

5.1.1. **Action taken or Order Passed by Sector Regulator / Enforcement Authority:** Action taken or order passed by the sector regulator / enforcement authority of the listed entity would be required to be disclosed, if such action or order, where quantifiable, exceeds the threshold specified by SEBI. The listed entity may refer to **Annexure B** for identifying its sector regulator / enforcement authority. Listed entities may also include other sector regulator/ enforcement authorities depending on their business, in their materiality policy.

5.1.2. **Action taken or Order Passed by all other Regulators / Authorities (Other than Regulators under paragraph 5.1.1 above):** Action taken or order passed by a regulatory/statutory/enforcement/judicial/quasi-judicial authority would be required to be disclosed only if such action or order, where quantifiable, exceeds the threshold specified by SEBI.

5.2. Further, imposition of fine or penalty below the quantifiable thresholds mentioned in paragraphs 5.1.1 and 5.1.2 above, should be disclosed by the listed entity on a quarterly basis.

**6. Disclosure relating to other persons under Para A(19) and (20) of Part A of Schedule III**

6.1. Listed entity while considering whether a matter involving directors, key managerial personnel, senior management, promoter or subsidiary requires disclosure can restrict themselves to disclosing such matters which are “in relation to the listed entity” and have an impact on operations, financial position or reputation of the listed entity.

**7. Interpretation of ‘cumulative basis’ (as referred in Master circular dated November 11, 2024 read with circular dated December 31, 2024 issued by SEBI) for disclosure of pending litigations or disputes under Regulation 30(4) read with Para B(8) of Part A of Schedule III**

7.1. For litigations or disputes having similar question of law and/or factual matrix such that there is a likelihood of similar outcome of proceedings, the listed entity should disclose such matters, if the aggregate / cumulative amount involved in all such matters cross the materiality threshold. The requirement of aggregation / cumulation will not be applicable only on the account of (i) the opposite party being the same person in more than one matter, or (ii) the litigation involving listed entity and its subsidiaries. It is clarified that the likelihood of similar outcome of proceedings, shall refer to a negative outcome for the listed entity in one proceeding which may lead to similar negative outcomes in the other matters.

7.2. For instance, in case of tax matters, the tax authorities may initiate different proceedings against a listed entity for different financial years or in different states, around the same set of facts and legal issues. If it is expected that if one proceeding is held against the entity on merit or law, then the others will also be held against the listed entity, then all such matters should be cumulated. However, matters involving the tax authorities (as common opposite party) with different facts and outcome of which are not inter-related, should not be cumulated. Similarly, matters initiated by or against the listed entity and its subsidiary against or by a common opposite party, with different facts and outcome of which are not inter-related, should not be cumulated.

**8. Disclosure of show cause notices under: (i) Para A(20) of Part A of the Schedule III and (ii) Para B(8) of Part A of Schedule III**

8.1. Receipt of a show cause notice would not trigger a disclosure requirement under Para A(20) of Part A of the Schedule III. However, receipt of a show cause notice from any regulatory, statutory, enforcement authority would come under Para B(8) of Part A of the Schedule III, and require disclosure upon application of the guidelines for materiality, as specified in Regulation 30(4).

**9. Disclosure of confidential litigation / dispute / order / action initiated or taken under (i) Para A(19) and (20) of Part A of the Schedule III, and (ii) Para B(8) of Part A of Schedule III**

9.1. Listed entities while evaluating the expected impact (and subsequently, the disclosure requirement) of pending litigation / dispute / order / action initiated or taken may also consider whether the same is confidential in nature under any applicable law and/or requirement / direction of any regulatory, statutory, judicial or quasi-judicial authority, or any tribunal.

**10. Compliance of timelines for disclosure under Regulation 30(6)**

10.1. Appropriate systems should be implemented by the listed entity for prompt internal reporting of events and training sessions at regular intervals may be conducted by listed entities in order to ensure awareness within the system of the requirement under Regulation 30 of the LODR Regulations. The timelines stipulated in this Regulation for making disclosures to the stock exchanges would begin once an officer of the listed entity has become aware of the occurrence of an event / information, through credible and verifiable channels of communication. For the purpose of this paragraph 10, the term 'officer' shall have the same meaning ascribed to it under section 2(59) of the Companies Act, 2013.

10.2. #### Annexure A

**Guidance on appropriate parameter (profit / net-worth / turnover) to be considered for determination of materiality for different types of events under Para B of Part A of Schedule III of LODR Regulations**

As per regulation 30(4)(i)(c) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 ('LODR Regulations'),

- (i) *The listed entity shall consider the following criteria for determination of materiality of events/information:*
- (c) *the omission of an event or information, whose value or the expected impact in terms of value, exceeds the lower of the following:*
  - (1) *two percent of turnover, as per the last audited consolidated financial statements of the listed entity;*
  - (2) *two percent of net worth, as per the last audited consolidated financial statements of the listed entity, except in case the arithmetic value of the net worth is negative;*
  - (3) *five percent of the average of absolute value of profit or loss after tax, as per the last three audited consolidated financial statements of the listed entity.*

Thus, it is understood that any event/ information shall be considered as material for the Company if the value of such transaction or the expected impact of such event/ information in terms of value is lower of the turnover or net worth or profits after tax as calculated under the above stated provisions.

However, in certain instances, all of the three parameters specified under Regulation 30(4)(i)(c) (viz, profit / net worth / turnover) may not be relevant to an event. Applying the principle of *Reddendo Singula Singulis* to the materiality provisions of LODR Regulations, it can be said that since there are separate thresholds of 2% of turnover, 2% of net worth and 5% of average PAT, each of such values can be applied individually and a particular threshold would be relevant and applicable depending on the nature of the event/ information being assessed. For instance, any event which has an impact on the turnover or profits of the Company can be considered material by comparing the value of such event/ information with 2% of the consolidated turnover or 5% of the average PAT respectively.

Similarly, if there is any event/ information which has a capital cost involved, then the materiality of such event/ information can be identified by comparing the value of such event/ information with 2% of the consolidated net worth of the Company and if the value of event exceeds such threshold, then the event would be considered as material.

**Based on the above, an analysis as to which of the three parameters should be applied for events or information stated in Schedule III, Part A, Para B is suggested below for uniform approach by the listed entities:**
